Better for Clients + Better for Advisors

Stirlingshire BD LLC. Platform Disclosures

The Stirlingshire BD LLC. (“Stirlingshire”) platform features provided via the Mobile App and Website are for information purposes only and not intended as a recommendation to buy or sell any specific security.

Below are several disclosures providing additional information as to the Stirlingshire platform’s systems. Features listed below may deviate both in terms of the underlying algorithms and fundamental concept on an ongoing basis. This document does not cover all platform features, only a select few. If you have any additional questions, please contact support.

Any third party information provided on the platform does not reflect the views of either Stirlingshire BD LLC. or any affiliate. For the purposes of this Disclosure Document, the terms “Stirlingshire”, “Stirlingshire BD LLC”, are used synonymously.

All investments involve risk and the past performance of a security or financial product does not guarantee future results or returns. Keep in mind that while diversification may help spread risk it does not assure a profit, or protect against loss, in a down market. There is always the potential of losing money when you invest in securities, or other financial products. Investors should consider their investment objectives and risks carefully before investing.

Please see the Stirlingshire website for additional disclosures and information.

Watchlist Feature:

Stocks the users add to their watchlist does no imply a recommendation or solicitation to buy or sell any security within your Stirlingshire account.

Top Gainers & Losers Feature:

The Top Gainers and Losers feature shows stocks which have the largest intraday gain or loss of the securities searchable on the Stirlingshire platform. The algorithm does not include stocks with a market cap below a specified threshold. The display of these securities does not imply a recommendation or solicitation to buy or sell any security within your Stirlingshire account.

News Feature:

The 'News' feature presents news updates provided for informational purposes sourced from third party vendors. The news stories are not vetted as to accuracy, completeness or timeliness and Stirlingshire does not endorse any information presented therein. A securities inclusion within a News story does not represent a solicitation or recommendation to buy the security and is solely intended for informational purposes. There are many factors that you must consider when making an investment decision, including, but not limited to, product features, risks, whether or not an investment meets your investment objectives, risk tolerance and other personalized factors.

Ideas Feature:

Stirlingshire utilizes a patent pending "Ideas" feature. The feature allows the broker to push recommended trades to the client for ultimate approval and execution by the client. No idea sent by any representative should be viewed as a riskless investment, all ideas brought by brokers to the clients have substantial risk of loss up to and including the loss of the full investment. The client assumes all responsibility for the execution of the order. The client has the responsibility to review the trade information and due diligence link attached to the idea notification and only if the client decides they would like to act on the idea should they then verify the order and submit it for execution.
